Tinubu approves 2026 oil block licensing round - Punch

The Nigerian Upstream Petroleum Regulatory Commission has secured presidential approval to commence its 2026 licensing round before the end of the year. The commission said the exercise, expected to commence by the third quarter of 2026, had received the backing of President Bola Tinubu, who is also the Minister of Petroleum Resources, in line with regulatory provisions guiding upstream licensing activities. A statement by the NUPRC Head of Media and Corporate Communications, Eniola Akinkuotu, disclosed this on Wednesday. Click [here](#) to read more.

New regulations to allow Nigerians sell surplus solar energy to DisCos - Guardian

The Nigerian Electricity Regulatory Commission (NERC) has commenced the implementation of Net Billing Regulations 2026, which creates a framework allowing eligible electricity customers to generate electricity from renewable energy sources and export surplus power to distribution networks. The new agreement is expected to be implemented by state power regulatory commissions under the Electricity Act, which seeks to decentralize control and management of the public power system. Ecobank issues Nature Bond on London Stock Exchange to protect Africa's natural ecosystems - Business Day

Ecobank Group has launched the world's first International Capital Market Association (ICMA) commercial bank-issued Nature Bond on the London Stock Exchange (LSE), creating a new route for international and African capital to protect Africa's biodiversity. The \$450 million bond was priced following strong investor demand with the final orderbook exceeding \$1.36 billion – 3.9x the original target size. The strength of demand enabled Ecobank to increase the transaction by \$100 million and tighten pricing by 50 basis points. The transaction attracted support from both international and African investors, demonstrating Ecobank's unique ability to mobilize capital across global and African markets. This research report (the "Report") is issued by Chapel Hill Denham Research, a department within Chapel Hill Denham Securities Limited ("Chapel Hill Denham"). Chapel Hill Denham is incorporated under the laws of the Federal Republic of Nigeria and is a company regulated by the Securities and Exchange Commission in Nigeria and the Nigerian Stock Exchange.

The information contained herein is confidential and is solely for the use of those persons to whom it has been addressed. **The information contained in this Report is not intended for distribution to the public and may not be disclosed, altered, reproduced, redistributed, or published in whole or in part for any purpose without the prior written consent of Chapel Hill Denham. Neither Chapel Hill Denham nor its advisers, directors, employees, or any of its affiliates accepts any liability whatsoever for the actions of third parties in this respect.** By receiving this document, you will not be deemed a client of Chapel Hill Denham or any of its affiliates. Clients of Chapel Hill Denham and of its affiliates, who read this Report, should assess their own investment objectives and financial capabilities when taking investment decisions.

The analyst(s), (whose name(s) is given at the beginning of the Report), produced this Report independently of Chapel Hill Denham or its affiliates and unless expressly stated to the contrary, independently of the issuer of security or securities, covered in the Report, and have done so using publicly available information. Opinions expressed in this Report are those of the analyst(s) and unless expressly stated to the contrary, are not the opinion or position of Chapel Hill Denham or any of its affiliates. No part of the compensation of the analyst(s) is or will be related or linked to the views or recommendation(s) given in this Report.

The information in this Report is provided in summary form only and does not purport to be complete. This Report has been issued for information purposes only and should not be construed in any circumstances as an offer to sell or buy any security or any other financial instrument nor shall it (or any part of it) form the basis of or act as any inducement to enter into, any contract or commitment whatsoever with respect to any security or any other financial instruments. Investments in general involve some degree of risk, including risk of loss of capital. Chapel Hill Denham may not have taken any steps to ensure that the securities referred to in this report are suitable for any particular investor. Accordingly, this Report should not be used as a substitution for exercising independent judgement and has no regard to the specific investment objectives, financial situation, or particular needs of any particular investor/recipient. If in doubt, please consult an independent investment adviser.

The content of this Report is based upon publicly available information from various sources that are believed to be reliable, though not verified independently. Accordingly, no liability is accepted for errors or omissions of fact; no representation or warranty, express or implied, is made concerning its accuracy, reasonableness or completeness of the information presented. All projections, valuations and statistical analyses are provided for information purposes only. They may be based on subjective assessments and assumptions and may use one among alternative methodologies that produce different results and to the extent they are based on historical information, they should not be relied upon as an accurate prediction of future performance. **Neither Chapel Hill Denham nor its advisers, directors, employees, or any of its affiliates accept any liability whatsoever for any direct or indirect loss arising from the use of this document or its contents.**

This document includes certain forward-looking statements, estimates and projections with respect to the future performance of securities traded in the Nigerian Capital Markets. Such statements, estimates and projections may reflect various assumptions concerning anticipated economic developments that have not been independently verified. Recipients are cautioned not to place undue reliance on these forward-looking statements. All information, opinions expressed are given as of the date hereof and are subject to change without notice. Accordingly, Chapel Hill Denham expressly disclaims to the fullest extent permitted by law any obligation or undertaking to disseminate any updates or revisions to any forward-looking statements or information contained herein.

Past performance should not be taken as an indication or guarantee of future performance, and no representation or warranty, express or implied, is made regarding future performance. While due care has been used in the preparation of forecast information, actual results may vary in a materially positive or negative manner. The price, value of and income from any of the securities or financial instruments mentioned in this Report can fall as well as rise.

The investments contained or referred to in this Report may not be suitable for you and it is recommended that you consult an independent investment advisor if you are in doubt. Nothing in this report constitutes investment, legal, accounting or tax advice or a representation that any investment or strategy is suitable or appropriate to your individual circumstances or otherwise constitutes a personal recommendation to you. Chapel Hill Denham does not offer advice on the tax consequences of investment, and you are advised to contact an independent tax adviser.

Neither this Report nor any copy or part thereof is intended for distribution, or transfer, either directly or indirectly to, or use by, any person or entity that is a citizen or resident or located in any locality, state, country or other jurisdiction where such distribution, transfer, publication, availability or use would be contrary to law or regulation or which would require any registration or licensing within such jurisdiction. The analyst(s) (as author(s) of this Report) and Chapel Hill Denham are not subject to the laws of other countries, notably the United States of America ("US"), the member states of the European Union ("EU") or the United Kingdom ("UK, during and after its membership of the EU) as these laws may affect the publication and distribution of this report. Accordingly, protections conferred by or under laws of other countries would not apply.

The analyst(s) (as authors of this Report) are not registered with the Financial Industry Regulatory Authority in the US, the Financial Conduct Authority ("FCA") and the Prudential Regulation Authority ("PRA") of the UK. Neither Chapel Hill Denham nor any of its affiliates is not authorised by the FCA or PRA. Accordingly, no liability for compliance with those laws, which respect to this report, is accepted by Chapel Hill Denham, its directors, employees, or any of its affiliates.

Chapel Hill Denham, its directors, employees, or any of its affiliates may have or may have had interests in any of the companies contained herein or hold long or short positions in any of the securities mentioned herein. Directors and employees of Chapel Hill Denham or its affiliates may serve or may have served as officers or directors of the companies contained herein. Chapel Hill Denham is required by the Nigerian Securities & Exchange Commission to make certain disclosures on shareholdings of its directors and Personal Account Trading of its analysts.

Chapel Hill Denham and its affiliates may act or may have acted as market maker in the securities contained herein. Chapel Hill Denham or its affiliates may have or may have had a relationship with or provide or have provided investment banking, investment management, and/or financial services to the companies contained herein; Chapel Hill Denham however relies on information barriers, such as 'Chinese walls' to control the flow of information. Accordingly, the analyst(s) and other members of the Research Department of Chapel Hill Denham do not receive any non-public information regarding transactions or investments of Chapel Hill Denham and any of its affiliates and do not take part in its internal meetings.

Furthermore, it is a policy of Chapel Hill Denham that no department or affiliate influences the opinions, estimates, forecast or recommendations of the Research Department, nor privy to the contents or recommendations of the Research Department's reports and recommendations ahead of their publications. It is also the policy of Chapel Hill Denham that members of the Research Department are not privy to knowledge of advisory mandates, or other fiduciary relationships, engaged in by Chapel Hill Denham or any of its affiliates.
