Money Market

Today, the OPR rate remained flat at 22.00%, while the O/N rate decreased by 7bps to close at 22.17%. System liquidity increased as bank balances closed in a net long position of N7.26tn from a net long position of N4.57tn. Additionally, as of 29 May 2026, the NOFR remained unchanged at 22.00%, with a daily variation range of 6.50%.

Fixed Income

Today, CBN conducted an OMO auction, offering a total N600.00bn spread evenly across 7-DAY, 35-DAY and 133-DAY tenors. The auction was heavily oversubscribed at N3.28tn in total subscriptions, translating to a bid-to-offer ratio of 5.46x. The CBN allotted a total of N3.04tn at an average stop rate of 20.99%.

In the secondary fixed income market, the average benchmark OMO yield contracted by 4bps to close at 20.69%, due to buying sentiments on all instruments. Similarly, in the NTB market, average yield contracted by 4bps to close at 17.55%, due to buying sentiments on all instruments.

Meanwhile, the average benchmark bond yield remained flat at 16.02%.

Currency

Today, according to the CBN, USD/NGN traded within the range of 1,365.50/US\$ - 1,359.50/US\$ and appreciated by 0.42% to close at 1,361.05/US\$ at the NFEM window. Furthermore, the gross external reserves increased by 0.44% to close at US\$49.80tn as of 02 June 2026.

Equities

The equities market closed on a negative note today, as the NGX ASI lost 35bps to close at 246,686.66pts, dragging YTD returns to 58.53%. We attribute the losses seen in the market to losses in stocks such FIRSTHOLDCO, ZENITHBANK and PZ.

In terms of market activity, the total volume decreased by 36.27% to 719mn units, and total value decreased by 1.96% to N29.29bn. ACCESSCORP was the most traded stock by volume, with 113.10mn units traded, followed by ZENITHBANK (38.10mn), and CONHALLPLC (35.43mn). ZENITHBANK was the most traded stock in terms of value at N4.80bn, followed by ARADEL (N3.43bn) and ACCESSCORP (N2.71bn).

On the sectoral front, performance was primary negative, as four out of the five sectors under our coverage recorded losses. For context, the NGX Banking (-163bps), NGX Consumer Goods (-50bps) and NGX Oil & Gas (4bps) indices recorded losses while the NGX Industrial (0bps) remained flat.

Today, INTENGINS (9.86%), TRANSEXPR (+7.14%) and NEIMETH (+6.80%) led the market in terms of share price gains, whereas PZ (10.00%), CWG (-10.00%) and ABCTrans (9.95%) experienced the biggest drops in share price.

Finally, the Chapel Hill Denham Paramount Fund (Equity) closed at N78.17 as of 1st of June 2026, delivering a YTD return of 64.70%.

***Nigeria capital market begins shorter settlement cycle-
Punch***

The Nigerian capital market on Monday achieved a historic milestone with the successful transition to a T+1 settlement cycle, becoming the first market in Africa to implement the shortened settlement framework designed to enhance efficiency, reduce risk, and improve global competitiveness. Speaking at the T+1 Settlement Cycle Transition Ceremony in Lagos, the Director-General of the Securities and Exchange Commission, Emomotimi Agama, described the development as a defining moment in the market's evolution. "The era of T+1 has begun. In just six months, Nigeria has successfully progressed from T+2 to T+1 settlement, joining a growing group of markets embracing faster and more efficient settlement cycles. This achievement signals that Nigeria is prepared to undertake the structural reforms required to compete for global capital," Agama said. Click [here](#) to read more

CBN targets N2.83tn cash in private hands - Punch

The Central Bank of Nigeria has unveiled an ambitious plan to bring about N2.83tn currently held outside the banking system into formal financial channels and expand financial inclusion by onboarding 50 million additional Nigerians by 2028. The targets form part of the Nigeria Payments System Vision 2028 unveiled by the Governor of the Central Bank of Nigeria, Olayemi Cardoso, on Monday in Abuja, as the apex bank seeks to deepen digital payments, strengthen trust in financial services, reduce cash dependence, and position Nigeria as a leading payments hub in Africa. The target is coming a few months before Nigeria's 2027 general elections, with the Independent National Electoral Commission scheduling the presidential and National Assembly polls for January 16, 2027, and governorship and state assembly elections for February 6, 2027. ***Cardoso re-assigns deputy govs, Ikeazor now in charge
of policy - Vanguard***

Governor of the Central Bank of Nigeria (CBN), Olayemi Cardoso, has re-assigned all four deputy governors of the institution. The new responsibilities announced Monday night have seen Mr Philip Ikeazor taking over the policy portfolio from Dr. Muhammad Abdullahi. Dr. Abdullahi moved from the Economic Policy Directorate to head Corporate Services. Ms. Emem Nnana Usoro leaves corporate services to supervise operations. Mr. Lamido Yuguda was transferred from Operations to the Financial System Stability Directorate. The CBN did not state reasons for the redeployment. The bank said such changes were "to make use of the experience of senior officials in different areas of responsibility and to support evolving institutional priorities. Click [here](#) to read more

***Amid Excess Liquidity, Banks Deposit with CBN Drops
to N91.1trn - This Day***

Following excess liquidity in the financial sector, banks' deposit with the Central Bank of Nigeria (CBN) stood at N91.1 trillion in May 2026, about 0.4 per cent decline from N92.32 trillion in April 2026. Banks deposit excess cash with CBN using the Standing Deposit Facility (SDF) window and it comes with attractive interest overnight, making it a preferred option for banks to earn risk-free returns. The financial data released by the CBN revealed that Nigerian banks deposited about N128.92 trillion in March 2026. In February 2026, banks deposit with CBN stood at N61.11 trillion or 16.18 per cent increase when compared to N52.6 trillion deposited in January 2026. Click [here](#) to read more

DISCLAIMER

This research report (the "Report") is issued by Chapel Hill Denham Research, a department within Chapel Hill Denham Securities Limited ("Chapel Hill Denham"). Chapel Hill Denham is incorporated under the laws of the Federal Republic of Nigeria and is a company regulated by the Securities and Exchange Commission in Nigeria and the Nigerian Stock Exchange.

The information contained herein is confidential and is solely for the use of those persons to whom it has been addressed. **The information contained in this Report is not intended for distribution to the public and may not be disclosed, altered, reproduced, redistributed, or published in whole or in part for any purpose without the prior written consent of Chapel Hill Denham. Neither Chapel Hill Denham nor its advisers, directors, employees, or any of its affiliates accepts any liability whatsoever for the actions of third parties in this respect.** By receiving this document, you will not be deemed a client of Chapel Hill Denham or any of its affiliates. Clients of Chapel Hill Denham and of its affiliates, who read this Report, should assess their own investment objectives and financial capabilities when taking investment decisions.

The analyst(s), (whose name(s) is given at the beginning of the Report), produced this Report independently of Chapel Hill Denham or its affiliates and unless expressly stated to the contrary, independently of the issuer of security or securities, covered in the Report, and have done so using publicly available information. Opinions expressed in this Report are those of the analyst(s) and unless expressly stated to the contrary, are not the opinion or position of Chapel Hill Denham or any of its affiliates. No part of the compensation of the analyst(s) is or will be related or linked to the views or recommendation(s) given in this Report.

The information in this Report is provided in summary form only and does not purport to be complete. This Report has been issued for information purposes only and should not be construed in any circumstances as an offer to sell or buy any security or any other financial instrument nor shall it (or any part of it) form the basis of or act as any inducement to enter into, any contract or commitment whatsoever with respect to any security or any other financial instruments. Investments in general involve some degree of risk, including risk of loss of capital. Chapel Hill Denham may not have taken any steps to ensure that the securities referred to in this report are suitable for any particular investor. Accordingly, this Report should not be used as a substitution for exercising independent judgement and has no regard to the specific investment objectives, financial situation, or particular needs of any particular investor/recipient. If in doubt, please consult an independent investment adviser.

The content of this Report is based upon publicly available information from various sources that are believed to be reliable, though not verified independently. Accordingly, no liability is accepted for errors or omissions of fact; no representation or warranty, express or implied, is made concerning its accuracy, reasonableness or completeness of the information presented. All projections, valuations and statistical analyses are provided for information purposes only. They may be based on subjective assessments and assumptions and may use one among alternative methodologies that produce different results and to the extent they are based on historical information, they should not be relied upon as an accurate prediction of future performance. **Neither Chapel Hill Denham nor its advisers, directors, employees, or any of its affiliates accept any liability whatsoever for any direct or indirect loss arising from the use of this document or its contents.**

This document includes certain forward-looking statements, estimates and projections with respect to the future performance of securities traded in the Nigerian Capital Markets. Such statements, estimates and projections may reflect various assumptions concerning anticipated economic developments that have not been independently verified. Recipients are cautioned not to place undue reliance on these forward-looking statements. All information, opinions expressed are given as of the date hereof and are subject to change without notice. Accordingly, Chapel Hill Denham expressly disclaims to the fullest extent permitted by law any obligation or undertaking to disseminate any updates or revisions to any forward-looking statements or information contained herein.

Past performance should not be taken as an indication or guarantee of future performance, and no representation or warranty, express or implied, is made regarding future performance. While due care has been used in the preparation of forecast information, actual results may vary in a materially positive or negative manner. The price, value of and income from any of the securities or financial instruments mentioned in this Report can fall as well as rise.

The investments contained or referred to in this Report may not be suitable for you and it is recommended that you consult an independent investment advisor if you are in doubt. Nothing in this report constitutes investment, legal, accounting or tax advice or a representation that any investment or strategy is suitable or appropriate to your individual circumstances or otherwise constitutes a personal recommendation to you. Chapel Hill Denham does not offer advice on the tax consequences of investment, and you are advised to contact an independent tax adviser.

Neither this Report nor any copy or part thereof is intended for distribution, or transfer, either directly or indirectly to, or use by, any person or entity that is a citizen or resident or located in any locality, state, country or other jurisdiction where such distribution, transfer, publication, availability or use would be contrary to law or regulation or which would require any registration or licensing within such jurisdiction. The analyst(s) (as author(s) of this Report) and Chapel Hill Denham are not subject to the laws of other countries, notably the United States of America ("US"), the member states of the European Union ("EU") or the United Kingdom ("UK, during and after its membership of the EU) as these laws may affect the publication and distribution of this report. Accordingly, protections conferred by or under laws of other countries would not apply.

The analyst(s) (as authors of this Report) are not registered with the Financial Industry Regulatory Authority in the US, the Financial Conduct Authority ("FCA") and the Prudential Regulation Authority ("PRA") of the UK. Neither Chapel Hill Denham nor any of its affiliates is not authorised by the FCA or PRA. Accordingly, no liability for compliance with those laws, which respect to this report, is accepted by Chapel Hill Denham, its directors, employees, or any of its affiliates.

Chapel Hill Denham, its directors, employees, or any of its affiliates may have or may have had interests in any of the companies contained herein or hold long or short positions in any of the securities mentioned herein. Directors and employees of Chapel Hill Denham or its affiliates may serve or may have served as officers or directors of the companies contained herein. Chapel Hill Denham is required by the Nigerian Securities & Exchange Commission to make certain disclosures on shareholdings of its directors and Personal Account Trading of its analysts.

Chapel Hill Denham and its affiliates may act or may have acted as market maker in the securities contained herein. Chapel Hill Denham or its affiliates may have or may have had a relationship with or provide or have provided investment banking, investment management, and/or financial services to the companies contained herein; Chapel Hill Denham however relies on information barriers, such as 'Chinese walls' to control the flow of information. Accordingly, the analyst(s) and other members of the Research Department of Chapel Hill Denham do not receive any non-public information regarding transactions or investments of Chapel Hill Denham and any of its affiliates and do not take part in its internal meetings.

Furthermore, it is a policy of Chapel Hill Denham that no department or affiliate influences the opinions, estimates, forecast or recommendations of the Research Department, nor privy to the contents or recommendations of the Research Department's reports and recommendations ahead of their publications. It is also the policy of Chapel Hill Denham that members of the Research Department are not privy to knowledge of advisory mandates, or other fiduciary relationships, engaged in by Chapel Hill Denham or any of its affiliates.
