Money Market

Today, the OPR rate remained flat at 22.00%, while the O/N rate increased by 3bps to close at 22.26%. System liquidity increased as bank balances closed in a net long position of N3.75tn from a net long position of N3.24tn. Additionally, as of 11 June 2026, the NOFR remained unchanged at 22.00%, with a daily variation range of 6.50%.

Fixed Income

In the secondary fixed income market, the average benchmark OMO yield expanded by 9bps to close at 20.91%, due to selling sentiments on the Jun-26 (+1bps) and Jan-27 (+47bps). In the NTB segment of the market, average yield contracted by 3bps to close at 17.82%, due to buying sentiments across most instruments.

Meanwhile, the average benchmark bond yield expanded by 4bps to close at 16.70%, with activity concentrated at the mid and long end of the curve. The mid end of the curve expanded by +7bps to close at 17.40%, due to buying sentiments. Similarly, the long end of the curve expanded by +14bps to close at 15.81%.

Currency

Today, according to the CBN, USD/NGN traded within the range of 1,355.50/US\$ - 1,359.00/US\$ and depreciated by 0.07% to close at 1,357.18/US\$ at the NFEM window. Furthermore, the gross external reserves increased by 0.59% to close at US\$50.81bn as of 15 June 2026.

Chapel Hill Denham Mutual Fund Prices: 16-Jun-2026

Fund	Price	Daily	YTD
Paramount Fund (Equities)	75.17	1.16%	58.38%

Equities

The equities market closed on a negative note as the NGX ASI lost 50bps to close at 241,984.80pts, dragging YTD returns to 55.50%. The losses seen in the market were primarily driven by dips in stocks such as GTCO, ZENITH and UBA.

Regarding market activity, total volume traded decreased by 28.12% to close at 535mn units, while value traded increased by 0.94% to close at N36.74bn. STERLINGNG was the most traded stock by volume, with 100.90mn units traded, followed by UACN (49.37mn) and ACCESSCORP (28.76mn). UACN was the most traded stock in terms of value at N9.12bn, followed by MTNN (N4.79bn) and SEPLAT (N3.54bn).

On the sectoral front, performance was largely negative, as four out of five sectors under our purview recorded losses. For context, the NGX Banking (-282bps), NGX Insurance (-10bps), NGX Oil & Gas (-3bps), NGX Consumer Goods (-52bps) indices all recorded losses while the NGX Industrial closed relatively flat.

Today, CONOIL (+9.79%), PRESTIGE (+9.79%), NEIMETH (+9.74%) and ETRANZACT (+9.40%) led the market in terms of share price gains, whereas INTENEGINS (+10.00%), VITAFOAM (+10.00%), AUSTINLAZ (+9.93%) and SUNUASSUR (+9.82%) recorded the largest declines in share price.

Finally, the Chapel Hill Denham Paramount Fund (Equity) closed at N75.17 as of the 15th of June 2026, delivering a YTD return of 58.38%.

Oil drops to \$83 after US-Iran accord - Punch

Oil prices continued their downward trend on Monday following the signing of a ceasefire agreement between the United States and Iran to end hostilities in the Middle East and reopen the Strait of Hormuz. According to Oilprice.com, Brent crude, the global benchmark, dropped from \$87 per barrel on Sunday to \$83 per barrel on Monday. The US and Iran said they reached an agreement on Sunday to end the war, a development that further pushed down oil prices. Click [here](#) to read more

Dangote, AFC sign \$600m deal for fertiliser expansion - Punch

The Dangote Group says it has strengthened its strategic partnership with the Africa Finance Corporation with the signing of a \$600m loan agreement to support the expansion of its fertiliser production capacity to boost food security across Nigeria and Africa. In a statement on Monday, the Dangote Group said the loan facility to GreenView Fertiliser Corporation, the Dangote Fertiliser Holding Company, will partly finance the expansion of its urea fertiliser production capacity in Nigeria and the development of the plant in Ethiopia. The investment, it was said, forms part of Dangote Group's broader \$7bn fertiliser expansion programme, which is expected to increase Dangote Fertiliser's production capacity in Nigeria from three million metric tonnes per annum to 9 MTPA, while also supporting the development of a new 3 MTPA urea fertiliser plant in Ethiopia. CBN orders banks to localise payments data - Punch

The Central Bank of Nigeria has directed banks, fintech firms and other payment service providers to store payment transaction data generated within the country on local servers from January 1, 2027, as part of new measures to strengthen oversight of the fast-growing digital payments ecosystem. The directive was contained in a circular issued by the Payments System Supervision Department of the CBN on Monday and addressed to deposit money banks, microfinance banks, mobile money operators, switching and processing companies, payment terminal service providers, payment solution service providers, super agents and other licensed operators in the payments industry. Higher tax collections lift FAAC allocation to N2.26tn - Punch

The Federation Account Allocation Committee shared N2.26tn among the Federal Government, states and local government councils as April 2026 revenue, representing an increase of N217bn from the N2.04tn distributed in the previous month. The latest allocation marks a 10.6 per cent increase from the March 2026 revenue shared in April. The details were contained in a statement issued on Monday by the Director of Press and Public Relations in the Office of the Accountant-General of the Federation, Bawa Mokwa, following the Federation Account Allocation Committee meeting held in Abuja. DISCLAIMER

This research report (the "Report") is issued by Chapel Hill Denham Research, a department within Chapel Hill Denham Securities Limited ("Chapel Hill Denham"). Chapel Hill Denham is incorporated under the laws of the Federal Republic of Nigeria and is a company regulated by the Securities and Exchange Commission in Nigeria and the Nigerian Stock Exchange.

The information contained herein is confidential and is solely for the use of those persons to whom it has been addressed. **The information contained in this Report is not intended for distribution to the public and may not be disclosed, altered, reproduced, redistributed, or published in whole or in part for any purpose without the prior written consent of Chapel Hill Denham. Neither Chapel Hill Denham nor its advisers, directors, employees, or any of its affiliates accepts any liability whatsoever for the actions of third parties in this respect.** By receiving this document, you will not be deemed a client of Chapel Hill Denham or any of its affiliates. Clients of Chapel Hill Denham and of its affiliates, who read this Report, should assess their own investment objectives and financial capabilities when taking investment decisions.

The analyst(s), (whose name(s) is given at the beginning of the Report), produced this Report independently of Chapel Hill Denham or its affiliates and unless expressly stated to the contrary, independently of the issuer of security or securities, covered in the Report, and have done so using publicly available information. Opinions expressed in this Report are those of the analyst(s) and unless expressly stated to the contrary, are not the opinion or position of Chapel Hill Denham or any of its affiliates. No part of the compensation of the analyst(s) is or will be related or linked to the views or recommendation(s) given in this Report.

The information in this Report is provided in summary form only and does not purport to be complete. This Report has been issued for information purposes only and should not be construed in any circumstances as an offer to sell or buy any security or any other financial instrument nor shall it (or any part of it) form the basis of or act as any inducement to enter into, any contract or commitment whatsoever with respect to any security or any other financial instruments. Investments in general involve some degree of risk, including risk of loss of capital. Chapel Hill Denham may not have taken any steps to ensure that the securities referred to in this report are suitable for any particular investor. Accordingly, this Report should not be used as a substitution for exercising independent judgement and has no regard to the specific investment objectives, financial situation, or particular needs of any particular investor/recipient. If in doubt, please consult an independent investment adviser.

The content of this Report is based upon publicly available information from various sources that are believed to be reliable, though not verified independently. Accordingly, no liability is accepted for errors or omissions of fact; no representation or warranty, express or implied, is made concerning its accuracy, reasonableness or completeness of the information presented. All projections, valuations and statistical analyses are provided for information purposes only. They may be based on subjective assessments and assumptions and may use one among alternative methodologies that produce different results and to the extent they are based on historical information, they should not be relied upon as an accurate prediction of future performance. **Neither Chapel Hill Denham nor its advisers, directors, employees, or any of its affiliates accept any liability whatsoever for any direct or indirect loss arising from the use of this document or its contents.**

This document includes certain forward-looking statements, estimates and projections with respect to the future performance of securities traded in the Nigerian Capital Markets. Such statements, estimates and projections may reflect various assumptions concerning anticipated economic developments that have not been independently verified. Recipients are cautioned not to place undue reliance on these forward-looking statements. All information, opinions expressed are given as of the date hereof and are subject to change without notice. Accordingly, Chapel Hill Denham expressly disclaims to the fullest extent permitted by law any obligation or undertaking to disseminate any updates or revisions to any forward-looking statements or information contained herein.

Past performance should not be taken as an indication or guarantee of future performance, and no representation or warranty, express or implied, is made regarding future performance. While due care has been used in the preparation of forecast information, actual results may vary in a materially positive or negative manner. The price, value of and income from any of the securities or financial instruments mentioned in this Report can fall as well as rise.

The investments contained or referred to in this Report may not be suitable for you and it is recommended that you consult an independent investment advisor if you are in doubt. Nothing in this report constitutes investment, legal, accounting or tax advice or a representation that any investment or strategy is suitable or appropriate to your individual circumstances or otherwise constitutes a personal recommendation to you. Chapel Hill Denham does not offer advice on the tax consequences of investment, and you are advised to contact an independent tax adviser.

Neither this Report nor any copy or part thereof is intended for distribution, or transfer, either directly or indirectly to, or use by, any person or entity that is a citizen or resident or located in any locality, state, country or other jurisdiction where such distribution, transfer, publication, availability or use would be contrary to law or regulation or which would require any registration or licensing within such jurisdiction. The analyst(s) (as author(s) of this Report) and Chapel Hill Denham are not subject to the laws of other countries, notably the United States of America ("US"), the member states of the European Union ("EU") or the United Kingdom ("UK, during and after its membership of the EU) as these laws may affect the publication and distribution of this report. Accordingly, protections conferred by or under laws of other countries would not apply.

The analyst(s) (as authors of this Report) are not registered with the Financial Industry Regulatory Authority in the US, the Financial Conduct Authority ("FCA") and the Prudential Regulation Authority ("PRA") of the UK. Neither Chapel Hill Denham nor any of its affiliates is not authorised by the FCA or PRA. Accordingly, no liability for compliance with those laws, which respect to this report, is accepted by Chapel Hill Denham, its directors, employees, or any of its affiliates.

Chapel Hill Denham, its directors, employees, or any of its affiliates may have or may have had interests in any of the companies contained herein or hold long or short positions in any of the securities mentioned herein. Directors and employees of Chapel Hill Denham or its affiliates may serve or may have served as officers or directors of the companies contained herein. Chapel Hill Denham is required by the Nigerian Securities & Exchange Commission to make certain disclosures on shareholdings of its directors and Personal Account Trading of its analysts.

Chapel Hill Denham and its affiliates may act or may have acted as market maker in the securities contained herein. Chapel Hill Denham or its affiliates may have or may have had a relationship with or provide or have provided investment banking, investment management, and/or financial services to the companies contained herein; Chapel Hill Denham however relies on information barriers, such as 'Chinese walls' to control the flow of information. Accordingly, the analyst(s) and other members of the Research Department of Chapel Hill Denham do not receive any non-public information regarding transactions or investments of Chapel Hill Denham and any of its affiliates and do not take part in its internal meetings.

Furthermore, it is a policy of Chapel Hill Denham that no department or affiliate influences the opinions, estimates, forecast or recommendations of the Research Department, nor privy to the contents or recommendations of the Research Department's reports and recommendations ahead of their publications. It is also the policy of Chapel Hill Denham that members of the Research Department are not privy to knowledge of advisory mandates, or other fiduciary relationships, engaged in by Chapel Hill Denham or any of its affiliates.
